

Clear for Takeoff

Fasten your seatbelt!

AGES 7 & Up
2-4 PLAYERS

In this aviation game, collect enough cards to send air-planes through the different stages of takeoff, and then high into the sky! But just like the real world, it isn't always that simple. Navigate weather problems, mechanical failures and your opponents' strategies in order to successfully launch your whole fleet. Get all your planes off the ground before your opponents' to win.

Invented by a pilot, it's a realistic aviation card game with high replay value!
